HRS NEWS

Holy Rosary Catholic School, 1303 S. Green River Rd., Evansville, IN 47715, Ph: 477-2271, Website: www.holyrosaryrams.org

Dear Parents, Students and Staff,

Welcome Back, Holy Rosary!

Congratulations to all the student body and families for returning the vast majority of your back-to-school forms in by August 13th! We easily surpassed our goal of 60% by the 13th! **We will have an extra all school Free Dress day on Monday, August 29th!** Thank you for getting your forms in as quickly as possible!

Parents of third through eighth graders, please watch your home mail next week for your student's WebGrader usernames and passwords for the 2011-2012 school year. Previous usernames and passwords will not work. If you don't receive that information by mail by Monday, August 22nd, please notify the school office or Mrs. Trisha Smith. If passwords are forgotten or lost, they must be picked up at the school office. They will not be sent home with students or by email.

Thank you for your support of our efforts to send home less paper by putting our parent pack updates online on our school website! We will continue to send home a one page reminder and a SchoolReach email to remind you to look online. Parents who do not have frequent access to Internet will again be allowed to request a hard copy. If you need a hard copy, please fill out the form on the reminder page for August 18th. You received a copy of the Parent Pack Calendar in your green back to school folder.

Holy Rosary Totten Hall Preschool begins its regular program on Monday, August 22nd. This means additional cars on campus at drop off and mid-day for their morning program dismissal. Be aware of parents parking their cars and walking preschoolers into the building. It may take some time to help everyone understand the procedures. We thank you for your patience and understanding with our new preschool families.

Thank you for a great turnout for our Parent Information Nights! If you were unable to attend, please be sure to contact your child's teachers to pick up your handouts. Thank you for being our partners in taking care of the children! ☺

Please know that the students and families of Holy Rosary Catholic School will be in our prayers every day of this school year. We look forward to the blessings a new school year brings as we work, play and pray together.

For the children,

Joan Fredrich ☺

A Student's Prayer for the New School Year

Dear Jesus, school has started again. It's great to see my friends every day, but not so great to have homework every night.

It's fun to learn new things but not so fun to study for tests.

Please help me, Dear Savior, to do my best this year in all my studies, in the subjects I like and even in the ones I don't like.

Help me to open my mind wide to all that my teacher teaches me.

Help me to open my heart wide to all my classmates, and to my teachers, too.

May this be a great year for all of us. Amen.

Holy Rosary - the GREEN and the Gold!

Thank you for helping us to **GO GREEN-ER** at Holy Rosary by checking out the parent pack online! Some forms that need to be filled out and returned will still come home on paper with your child.

To find this parent pack ONLINE, go to www.holyrosaryrams.org. Click the drop down list under **QUICK MENU**.

LITTLE SISTERS OF THE POOR LETTER

In her letter she stated: “They are an utter joy and privilege to care for and you help make that care possible. You have directly helped the wonderful aged of our home. We Little Sisters are humbled by the generosity and kindness you show us. May God bless you and everything you do for the charity you show the elderly poor.”

A Healthy Breakfast

A healthy breakfast is essential to begin any day. It provides energy for the morning activities and gets students ready to learn for the day. It also helps students feel good and maintain a healthy body weight.

So get your morning started with a delicious breakfast!

Why Milk?

- Calcium and vitamin D - helps grow strong teeth and bones.
- Protein for building a growing body.
- Vitamin A for healthy eyes and skin

Drinking low fat milk is one way to reduce the amount of fat intake in a healthy diet.

Breakfast Ideas

- Peanut butter on whole-wheat toast
- Oatmeal with applesauce
- Toasted waffle topped with sliced fruit
- Cereal with low fat or fat free milk and fruit.

The ABC's of Hand Washing

Hand washing is important in any house hold and school. A great way to stop the spread of germs and the back to school flu or cold is to keep hands clean by washing them thoroughly.

Soap and warm water should be used for proper hand washing. 20 seconds or a round of the ABC's is the perfect amount of washing time.

When to wash hands?

Before

- Handling food and eating a snack or meal

After:

- Handling food
- Using the restroom
- Coughing or sneezing into hands
- Playing

Using a Web browser, families are provided a username, a password, and 24-hour access to view assignment-by-assignment progress as well as scores recorded to date in real time. StandardsScore™ is your constant connection to your child's classroom!

Your Family account password provides access to the following:

Reports

There are three reports you can view for each class: **Detail**, **Summary**, and **Standards**. Each Report gives more detailed information about the scores a student received. The **Detail Report** shows the scores for each assignment, a total to date, and any unique or defined comments the teacher added. The **Performance View Report** shows the scores for each of the standards attached to assignments as well as a total to date. The scores are color coded to match the Defined Comments (such as an assignment was listed as late or missing) a school uses. The **Summary Report** shows the grades for each Category (Homework or Tests, etc.), the total to date and any Defined comments.

HEALTH WEEK 2011
September 6-9

Dear Holy Rosary families,

Welcome back to school! Our annual Health Week is approaching. During this time students from every grade will be assessed in areas determined by state guidelines. The screens are different per grade and listed at the bottom of this page. The volunteers of the Health Week committee recognize the sensitive nature of any health screening and work to ensure the comfort and confidentiality of all students. Please discuss these screening days with your children, send them school with any prescribed glasses or contacts and follow-up with them regarding any referrals that may be given.

If you or your child has any questions or concerns, please don't hesitate to call me. We will make arrangements as necessary. Again, all screening is confidential and discussed only with the student.

In good health,

Jennifer Rusche

Calling all girls!!!

It is time to start thinking about Girl Scouts for the school year. There are many fun events to attend and fun activities at meetings. Events fill up fast so we are trying to get our troops in line early this year.

There is a parent interested in being the leader for the Daisy Girl Scouts in Kindergarten and First Grade.

There are returning leaders for the Brownie Girl Scouts in Second and Third grades.

There are leaders for the Junior Girl Scouts in Fourth and Fifth grades.

We also have a volunteer to be the leader of any older girls, Sixth through Eighth grade who are still interested in Girl Scouts. There are wonderful opportunities for the older girls to travel and have awesome outings.

Please complete the form below and return it in to the office as soon as possible. We will contact you about a meeting time to complete registration forms and get the girls started as soon as we know how much interest there is on the girls part.
