September 29th Feast of Guardian Angels

Today, on the feast of guardian angels, we remember that God always guards and protects us. Today we celebrate the angels. The angels bring us comfort whenever we are afraid. In the Hebrew language, the word "angel" means "messenger." Angels bring God's message of hope.

Michael, image of God's justice, angel warrior, God's right arm, march beside us on our journey; ward off evil, fear and harm.

Gabriel, voice of God's salvation, messenger with news of grace, teach us of God's works and wonders and the beauty of God's face.

Raphael, star to brighten darkness, giving friendship, giving sight, walk the path that we must travel, our companion through the night.

Joined in song by angel guardians,
let our alleluias ring.

God is with us now and always.
Glory to our Lord and King!

Holy Rosary - the GREEN and the Gold!

NEWS FROM AROUND THE SCHOOL

Catholic Identity Corner

In the coming weeks Holy Rosary families and students will have the opportunity to learn more about the changes that are coming with the Roman Missal. Our parish will provide resources and brief workshops on the weekends. Teachers will be providing instruction in classrooms. School liturgies will also be opportunities to learn and experience the changes. We see the Roman Missal changes as a special opportunity to help students learn the importance of remaining focused and participating in the whole of the liturgy with reverence and respect. It is an opportunity for the children to gain a better *understanding of how and why* we do what we do in our mass. As we move forward into planning for and implementing these changes, we ask our parents to reinforce our efforts in very simple ways including emphasizing sitting attentively and encouraging reverent behavior at Mass on the weekends or other times you are at prayer. Together we can teach our children how to show great awe and wonder to God whenever we pray.

HELP A WORTHY CAUSE

A Message from Donna Wolter

Holy Rosary School Counselor through Youth First, Inc., Ext. 339

Dear Parents,

Below I have shared some ideas about healthy friendships for our students. For more on this topic, check out www.thepartnership@drugfree.org. If I can be of any help to your students or you, please feel free to contact me at Holy Rosary at 477-2271 or at dwolter@hrparish.org.

God bless you,

Donna Wolter

Here are 8 ways to encourage healthy friendships:

1. Regularly talk about what true friendship means – and the qualities that are important in a friend.
2. Help your child recognize behaviors that do not make a good friend.
3. Let your child know if you disapprove of one of his or her friends (or a group of friends) and explain why.
4. Try to be a good role model and use your own relationships to show how healthy friendships look and feel.
5. Get to know the parents of your children's friends.
6. [Talk to your child frequently](#) -- about everything from events of the day to his hope and dreams to dealing with [peer pressure](#).
7. Know who your kids are hanging out with. (I don't make my girls feel like I am being nosy but I do let them know that [I have the right to check their phones, email and text messages](#) should I feel the need to.)
8. Remind your child that that you are always there to [lend an ear](#).

To me, a good friend is someone you can always count on. Someone who is there in the good times and bad. A true friend loves you for who you are and does not change how she feels based on what other people think.

Wishing you and your children shiploads of healthy friendships,

A handwritten signature in black ink that reads "Teri Christensen".

Holy Rosary Scrip Makes Cents

How to get started

When should I buy scrip?

We process scrip orders every Monday morning & orders are usually ready for pick up on Wednesday afternoon (even during the summer!)

Depending on when you do your regular shopping (groceries, gas, prescriptions etc) you may find it easiest to order a little every week, every other week, or even monthly. Make it a regular **habit!**

Which scrip should I buy?

With such a variety available, every family should be able to find a scrip match that works for them.

Overwhelmed by the choices? **Choose just a few. Some scrip is always better than no scrip.**

Pick one or two places where you shop regularly & challenge yourself to always keep 1 card in your wallet.

Great places to consider are:

your regular gas station
the dry-cleaners

a favorite grocery store
or pharmacy...

the kids' favorite drive-thru
a favorite restaurant

How much scrip should I buy?

Just enough to get you to your next order! Remember, slow & steady wins the race...

Not sure how much you'll be spending somewhere? Try this idea:

Pay the first \$25 with scrip all year long & watch your scrip savings add up!

Just...

\$25 groceries + \$25 gas

\$25 eating out

\$25 shoes + \$25 clothes

averages...

every week

every month

3-4x a year

\$50 scrip savings.

\$25 scrip savings.

\$10 scrip savings.

- Week 2:** The Introductory Rites (Sign of the Cross through Gloria)
- Week 3:** The Liturgy of the Word (Readings through Intercessions)

This study meets in the upper grade hallway of Holy Rosary School (**room 6H**) on **SUNDAY** mornings from **10:00 - 10:55** from Sept. 25 - Oct 2. There no cost and no need to sign up - JUST COME!

Join the **Green River Greenies** as they start another great year of 4-H!

What is 4-H?

4-H is the only federally authorized youth serving organization. It is also the largest youth serving organization in the country. It is a volunteer-led organization that reaches youth through a variety of programs in both rural and urban settings. 4-H provides fun, educational opportunities at the local, state, national, and international levels. 4-H programs are hands-on, age-appropriate, and university-based. 4-H helps youth improve their self-confidence; learn subject matter; and develop important skills including leadership, citizenship, communication, and decision making that can be applied over a lifetime. For older teens, 4-H also offers opportunities to develop and test their leadership skills as 4-H volunteers and working with youth. For adults, 4-H offers opportunities for training in a variety of areas including youth development, instruction, and more. These clubs are for youth in grades 3-12. Youth in grades K-2 may join [Mini 4-H](#).
