Description

BlastBall provides an entry level of play for the kids and is designed to put FUN into learning the game of baseball. **BlastBall** is fast-paced, provides good exercise, creates enthusiasm and is a great social environment for the kids. **BlastBall** teaches the basic rules and fundamentals of the game.....Hitting, throwing, catching, running and fielding.

How The Game Is Played

The teams are made up of 5 to 6 players per team. The defensive players take an infield or (short) outfield position. A **BlastBall** is placed on the **BlastTee** and the first batter hits the ball and runs to the **BlastBase**. If the batter reaches the Base (the only base used) before a defensive player either catches the **BlastBall** in the air (an automatic out) or fields it and yells "**BLAST**," he scores a run. If the ball is caught or fielded and "**BLAST**" is yelled before the runner gets to the **BlastBase** he or she is out. No score is kept the objective is to have FUN!
